

CSCF Coach Bursary Program

November 26, 2009

Introduction

The CSCF Coach Bursary program is intended to help support coaches who are working toward completion of CERTIFIED status in the CSCF Development Level or Performance Level pathways. Consideration will also be given to coaches who are pursuing Level 4 certification *outside* of an NCI program. The Bursary Program is funded through voluntary contributions received from CSCF members.

The coach bursaries will support in the field “**coaching evaluation**” components of the coach certification pathways (see Appendix 1 - Evaluation components of CSCF Certification Pathways – for more details). More information on certification pathways can be found on the CSCF web site.

Priority consideration for bursary support will be given to full time or seasonal full time coaches working in club or regional programs either directly with athletes or in coordinating or managing roles.

- be a CSCF member in good standing and
- have “Licensed” status and
- have achieved CSCF Development Level TRAINED or Level 2 CERTIFIED status or higher at the time of application.

Other Considerations

- Only one bursary will be granted per member in a two year period.
