

CSIA CENTRAL E-BLAST - OCTOBER 2016

THE VIEW FROM THE FLATLANDS

We are back for a great Member's Convention and season in Central Canada! Spend two days with the best ski teachers in Canada, including many who attended the Interski Congress in 2015. They will guide you through the latest techniques and give you tips you can use to improve your own skiing no matter the size of the mountain. Invite your friends along for the special friends and family program. Space will be very limited this year so don't wait!

Also, the AGM this year is very important for the future of our organization. If you have any interest in serving on our Board, we are looking for candidates who bring not only a passion for the sport and teaching in general, but a willingness to help us grow!

On December 3-4, 2016 the annual CSIA Central Canada Convention and Members' AGM returns to Asessippi for the 6th time. Considering the lack of cooperation from Mother Nature in 2015 and the unavoidable cancellation of the event, we are extremely eager for this year's event. The ski area has yet again generously offered to open for us in advance and give us the same unbeatable rate on the accommodations. Also, we will have an incredible staff

of Level 4s to lead the on-snow groups. Join other CSIA members and friends to start off your season on the right foot. Like our CSIA Central Facebook page to get updates and more information.

Please note that members must have paid their dues to National prior to registration. Prices shown below are for the training and banquet cost (weekend only). All accommodations, transportation, lift tickets, etc. are your responsibility. Accommodation packages at the Russell Inn are starting at the incredible value of only \$199 per room for two people (two nights stay and two days skiing included)! Non-members with appropriate skills are encouraged to join us.

REGISTRATION IS ONLINE ONLY AT
SNOWPRO.COM CONTACT
gallen54@gmail.com if necessary.
